

## Belgenny Oval Case Study

Camden Falcons FC, recently received an upgrade from their very own clubhouse at Belgenny Oval. The owners transformed the clubhouse with the trophy of the SAB600 to support the football team's home games. The benefits of a "heel Guard" type grate with flexibility and durability of a Polpropylene drainage channel unit achieved the requirements that is ideal for those football boots and mass cluster of the teams.

With a 2 point security fixing, to keep it rattle free from vehicular movements and secure it from unauthorized access. The back entry of Belgenny Oval is ready for heavy foot traffic and the public to securely walk on.
