

## Natrad Oak Flats

Natrad in Oak Flats received a new look and location. With the SABDRAIN 704 being installed for the purpose of slow moving and heavy commercial vehicles. This Class C and D rated drain was the ideal selection for their constant automotive check-ups and services.

With 26M of 704 supplied by the local Reece store in Albion Park, Sabdrain is the ideal product to meet the requirements and all the benefits and specifications that is produced from the SAB704.

“With trucks and cars constantly running over it works fine”

Worker of Natrad Oak Flats, 2017
