

603 GALVANISED GRATED CHANNEL

The details that make the difference...

Class C Galvanised Grate & Polypropylene Channel

Polypropylene channel with Class C rated galvanised grates. Each galvanised grate comes with a 8 point security fixing, to keep it rattle free from vehicular movements & secure it from unauthorised access, as well as steel side edges to give greater resistance to heavy loads. Designed & recommended for malls & areas open to slow moving heavy commercial vehicles.
