

705 GRANDE CAST IRON GRATED CHANNEL

The details that make the difference...

Class E Cast Iron Grate & Polypropylene Channel

Polypropylene channel with Class E rated cast iron grates. Each grate is equipped with 8 point security fixing system to keep it rattle free from vehicular movements and secure it from unauthorised access. Designed for situations that require accessibility for heavy commercial & forklift vehicles (pneumatic/solid tyre) as well as being able to cater for the needs of highway use.
