

604 GRANDE GALVANISED GRATED CHANNEL

The details that make the difference...

Class D Galvanised Grate & Polypropylene Channel

Polypropylene channel with Class D rated galvanised grates. Each SABdrain 604 galvanised grate comes with a 8 point security fixing, to keep it rattle free from vehicular movements & secure it from unauthorised access, as well as steel side edges to give greater resistance to heavy loads. Designed and recommended for commercial areas, shopping centres and roadway applications.
